

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2476 - SB 2666

March 3, 2018

SUMMARY OF BILL: Urges the Department of Military (DOM) to study the impacts of future development of wind energy on military installations and operations in the state, such as interference with communications, airspace, and test and training ranges, on or before March 1, 2019. Require the DOM to report its findings to the Agriculture and Natural Resources Committee of the House of Representatives and the Energy, Agriculture and Natural Resources Committee of the Senate within 90 days of such study.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Exceeds \$25,000/One-Time

Assumptions:

- The DOM will conduct the statewide study on how wind energy would impact future development of military installations and operations in the state.
- Based on the information provided by the DOM, the department will contract with a university or other entity to obtain expertise sufficient to complete this type of study. The one-time increase in state expenditures for conducting the study is reasonably estimated to exceed \$25,000.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
